### **Sanjeev Kumar (Chairman)**

*Our vision is based on hard work, open communication, a strong emphasis on team work and a high level of responsibility. This visionary culture allows and emphasizes our wards not only to adopt the present day challenges but also individual responsibilities to the society and our nation at large.*

*Learning should be based on doing things and not merely knowing things. Until and unless learning solutions relate to real life and motivate the learner to acquire and apply the knowledge, the whole process will remain superficial.*

### **Sumit Gupta (Secretary)**

*The service of the institution in creating personally mature, professionally equipped and service-oriented graduates is really worth mentioning. We strongly believe in academic excellence and do not compromise on teaching standards or discipline. These three things are the springboards on which we operate. People who feel good about themselves produce good results and people who produce good results feel good about themselves. We also believe in total learning and sharing. Have a visit to SJIPER and feel good to get good education.*

### **Dr. Pankaj Baboo (Director)**

*Welcome to the SJIPER Bilari. Our institution has committed to serve the higher education. We are advancing institute's tradition of excellence in Pharmaceutical Technology & Education through high quality programs in teaching, research, on-site industry executive training and service. We continue to rank among the nation's best intensive industry interactive Pharmacy school.*

*Our campus is set in a beautiful landscape healthy living environment that encourages interaction and camaraderie. Our distinguished faculty, with extensive ties to leading pharmacy and research community, are able to bring the best scientist and pharmacy into our programs as visiting faculty and guest speakers.*
